Wardrobes

Wardrobe Options/Accessories

1. Overhead storage units are available for all wardrobe sizes. Units have one hinged door (24"W) or two hinged doors (30", 36", 42", 48" widths). All units are 21" high and connect to the top of the wardrobe.
2. Finished backs are available for all wardrobes and overhead storage units. The back is constructed of material to match the doors and side panels.
3. Finished tops are available for all wardrobes.
4. Coat hooks are cast metal and can be added in various locations.
5. Towels bars are chrome plated and can be added in various locations.
6. Center partition is constructed of material similar to that used for the wardrobe panels and is located in the center of the unit. Two half width shelves with chrome rods are included with one on each side.
7. Storage shelves can be added to full width units or half shelves when a center partition is used. Shelves can be fixed or adjustable.
8. Coat rods are chrome and can be added in various locations.
9. Mirror is an acrylic unit and can be added to the inside of the door.
10. Locks are available in two styles. A keyed lock or padlock eyes. On two door units, a lock must be accompanied by slide bolts on the corresponding door.
11. Wood Door Pull can be substituted for the standard loop pull.
12. Drawers can be added to any size wardrobe. All drawers are 7" high and can be ordered in multiple numbers. The drawers can be hidden behind the doors or left exposed.
13. Sled base can be supplied to allow easy movement of the wardrobe units.
14. 84" high units are available in all models.
15. RTA shipment is available for all units except when wet joint construction is selected.
16. Tamper resistant rod is available on all units.
17. ADA compliance requires the coat rod to be lowered to the acceptable height. Sliding doors may also be required.
18. Sliding doors are available upon request.
