

## **Drafter-Detailer**

Panel Specialists, Inc. is a manufacturer of institutional furniture, wall systems, marine panels, and high end residential and commercial stone products.

We are seeking an individual who has an Associate Degree in Drafting & Design or at least 1 year of experience in mechanical drafting in a manufacturing environment.

Good communication skills, attention to detail and follow-up skills are a must. We offer competitive compensation and benefits packages. Interested applicants should send their resume to: Albert Nebgen, Human Resources Manager, Panel Specialists, Inc. 3115 Range Rd. Temple, TX 76504 or e-mail to [anebgen@panelspec.com](mailto:anebgen@panelspec.com).

Applications are available on our website. Please visit [www.panelspec.com](http://www.panelspec.com) and go to the "Career" section.
